3. Mayor's Youth Recognition Awards

Presented by Mayor Patrick Dunlavy, Heidi Peterson and Chief Ron Kirby

Mayor Dunlavy welcomed everyone and said that this was the most fun and important thing that they do. Mayor Dunlavy asked those present to listen carefully to the things that are read about each student. Presenting these awards is an honor that they look forward to every Wednesday.

The Mayor introduced Heidi Peterson, Director of Communities that Care, and Chief Ron Kirby of the Tooele City Police Department.

Ms. Peterson thanked and welcomed those present. Before the awards presentation, Ms. Peterson desired to explain the Communities that Care department and the programs offered. We are fortunate to live in a city where our City Council, Mayor, and other city leaders really value the things that are going on with our youth and families. As a result, we have Communities that Care, which is an evidence based program to bring the very best programs here to our community for our youth and families.

The first program highlighted by Ms. Peterson is an awesome parenting class called Guiding Good Choices. It's a five-week class, absolutely free of charge, which makes good families even better. The Tooele City website has more information, and registration is available there as well. Ms. Peterson encouraged all families to attend if they haven't already done so.

The next program highlighted by Ms. Peterson has been offered for about 3 years. The program is called QPR, or Question, Persuade, and Refer. In just 90 minutes, participants learn to recognize the risk factors and warning signs associated with suicide. This is a very important concern in our community. A three-step skill is also taught to use with someone at risk. The next public meeting will be held May 11th. Registration is available at tooelecity.org.

The last program highlighted is called Second Step. This program is an evidence-based prevention program that is in the schools, grades K-8, and partnered with the Police Department. The sixth grades are currently completing a drug and alcohol prevention unit. A fantastic officer from the Police Department has been teaching the kids the dangers of drugs and alcohol. The kids are also taught how to have hopes and dreams, and how to resist dangerous substances that can get in the way of a successful future.

Research shows that in order for kids to be really successful, they need to be recognized for the great things they do. There is also a copy of the narrative to be read by Ms. Peterson and a certificate signed by the Mayor. The recipients of this award will be receiving backpacks that include donations and prizes from local agencies and business that want to congratulate and support these students.

Ms. Peterson presented the Mayor's Youth Recognition Awards to the following students:

- * Luke Hansen, Clarke N. Johnsen Jr. High School
- * Austyn Rae Cox, Clarke N. Johnsen Jr. High School
- * Jake Phillips, Tooele Jr. High School
- * Lachele Coombs, Tooele Jr. High School
- * Andrew Stuart, Tooele High School

Mayor Dunlavy again expressed his pride and appreciation for the recipients of this award. He thanked the parents and congratulated them on the wonderful job they're doing. He also thanked the grandparents and other family members involved in supporting these youth.

A brief recess was taken for a picture of the recipients and their certificates with the City Council members and Mayor. The photo will be included in the Tooele Transcript Bulletin and the Tooele City CTC Facebook page.
