MESSAGE FROM THE MAYOR

As the days get longer and warmer we all look forward to Spring and the coming of Summer. It's a great time to renew after cold grey winter days.

Even though things don't slow down much at City Hall, we, like all of you, feel a sense of renewing, an excitement of summer activities, baseball, soccer and softball games to be played and watched. We look forward to exciting performances of our very successful "Friday's on Vine" concerts and the 4th of July celebration week, with a super concert and spectacular fireworks. It gives us renewed enthusi-

asm to meet the challenges of our beautiful city.

I am very excited that through some very hard work over the last couple of months we will be receiving \$3.5 million in Federal Stimulus money to complete the 1000 North transportation project. I'm very appreciative of the work done to accomplish this. We appeared before the Utah State Joint Highway Commission to present our proposal and it was accepted. I want to thank the work done by Representative Jim Gowans. Without his help in meeting with us during the legislative session and facilitating meet-

ings with the officials of the State Department of Transportation, along with the work he did with the Joint Highway Commission, we could not have received this money. Thank you Jim.

Congratulations to the wonderful people in Grantsville for keeping the tradition of the Old Folks Sociable going and thriving for 125 years. If you've not gone to the sociable, you're missing a very special time. The dedication and hard work put into it and the talent of the community are truly something to be proud of— way to go Grantsville!
