

# NINETY NORTH MAIN

## FROM MAYOR DUNLAVY....

This month there is a primary election for Tooele City Mayor and Tooele City Council. I ask that all of you reading this month's edition of the Mayor's message take this election very seriously.

Having the honor of serving as your Mayor for the last 12 years, I know firsthand how important these elections are to this community. Please VOTE! Your vote is vital in choosing leaders who have the ability to affect your everyday life.

Find out all you can about the candidates. Ask

what experience they have in finance. Ask what their knowledge and background is

Mayor  
Patrick Dunlavy

in running a city government in a City with a population of over 34,000. Ask how they

plan on providing essential services when the cost to provide them is going up.

This is a very important time for all of you to get involved. Let's be the Number 1 City of our size with the highest number of registered voters who actually VOTE in this election! It truly is a very important time for the future of our special City.

If you have concerns or questions about the City, please call my office at 435-843-2104 or e-mail me at [patrickd@tooelecit.org](mailto:patrickd@tooelecit.org). Thank you!
