

NINETY NORTH MAIN

FROM MAYOR WINN....

Mayor
Debbie Winn

There have been many questions about the proposed tax increase, and understandably so. There has also been some confusion about the increase. The biggest misunderstanding that I have heard is that residents are concerned their entire tax bill will be doubling, when in fact it is only Tooele City's portion of your tax bill that will be affected by this increase. Council Members and I do not make the decision to raise taxes lightly. A lot of thought, discussion, analysis, and concern, have taken place to come to this decision. Tooele City's certified tax rate was lower in 2017 than in 1997. Not only did Tooele City not raise taxes over the past three decades, in some cases Tooele City's taxes have been lowered. We can no longer sustain those rates as a City. With this increase we will be building a new police station, increasing salaries to keep up with market, hire two new police officers, pay the judgement levy, make up budget deficits, and purchase some equipment. We hope this will clear up some confusion. If you still have questions or concerns, please email me at dwinn@tooelecity.org or contact my office at 435-843-2104. Thank you for your support!
