## WAY TO GO TOOEELE!

CNNMoney.com has named Tooele County as **first** in the United States for job opportunities in the current economy. Job growth in Tooele County from 2000 to 2007 was 123.35 percent, thanks to scientific, technical and service jobs. Top employers are the U.S. Department of Defense, the Tooele School District and EG&G Defense Materials. This year, several national chain stores will open in Tooele County: Gold's Gym, La Quinta Inn and Radio Shack. Manufacturer Syracuse Castings opened a location in Tooele last year.

## Fridays on Vine August Schedule

**August 1 Sam Payne Project**—As a songwriter and performer, Sam Payne has played stages from the jazz clubs of Tokyo to the Kennedy Center in Washington DC. Payne's contemporary folk tunes have established Payne and his band as a perennial favorite of audiences around the west.

**August 8 Taste of Polynesia**—Come and enjoy several different Polynesian Islands' dances including fire knife dancing!

**August 15 Brianna Wolfgramm**—is a soloist vocalist who has been performing as a solo act since she was 8 years old. Transition from one genre to another has been a trademark for Brianna who can sing with the best of them!

**August 22 Ventriloquist/Barbershop Bells**—Brad Bosen, Tooele County's original "Ven-Tooele-quist" along with his "friends" Dixie, Harley and Joe, provides family friendly fun and entertainment. The Barbershop Bells are a 4-part women's barbershop group who have sung 7-8 years at the Utah State Fair. They also sang at the Olympic venues!

**\*August 29 Painted Desert Band**—emerged in the early '90's from two Tooele County families with a passion for country music. Original leader, Calvin Jackson, still architects this ever growing group of fun lovin' musicians. The result is a band with broad appeal for those longing for a western fiddlin' song or some good ol' southern rock. \*moved to Tooele City Park\*

It's that time of year! Back to school! End of summer trips! Cool evenings! So much to do! We all want to get out to the park, lakes, sporting events or wherever our end of summer plans may take us. The Utah Highway Safety Office is asking for your help—as individuals, as well as a community. Aggressive and inattentive driving problems—which contribute to crashes—have

made their way into communities all across Utah. If we can all make an extra effort to drive with care and courtesy, the number of driver error and aggressive related crashes will be reduced. The following are some tips for a more courteous and friendly driving experience:

- Maintain a safe distance from the vehicle in front of you.
- Use your signal to turn, change lanes or merge.
- Make sure you can change lanes without cutting off another driver.
- If another driver wants to pass, let them.
- Maintain an even pace while driving—don't be a jack rabbit.
- Driving is not a game. Leave

your competitive instincts in the game.

- Use your horn sparingly.
- Respect pedestrians' right of way.
- Adjust your attitude, let other drivers' actions go.
- Be patient while driving.
- Plan your trips ahead to avoid congestion.
- Avoid multi-tasking. For example texting, cell phone use, shaving, putting on makeup reading etc.
- Avoid using threatening or obscene hand gestures.

*Treat other drivers the way you would like to be treated!*

The Utah Highway Safety Office wishes you a happy and safe back-to-school season.

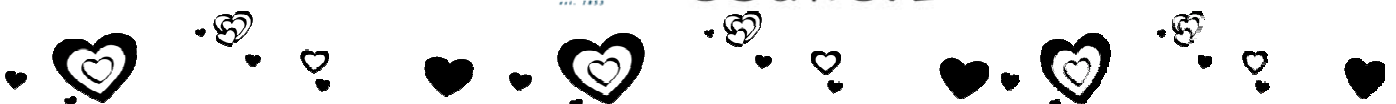

A picture is worth a thousand words! And that's what the presenters of Heart Gallery Utah are hoping. The Gallery opens in Tooele City on August 1st at the Tooele City Hall. The unique exhibit will combine the talents of many professional Utah photographers to reflect the personalities of foster children waiting to be adopted. In photo after photo, the unique light in each child—a light sometimes buried after years of neglect, abuse, and low self-esteem has been captured through each photographer's art and talent.

What is even more unique about the Heart Gallery Utah exhibit is that the pictures showing the children and teens at their best were taken and donated by the photographers. The hope is that the photographs will replace the typical mug shot in each child's file and capture the spirit and personality of each and result in more of the children being adopted.

Portraits of 30 children will be on display. The Adoption Exchange, an adoption recruitment agency for the state's Division of Child and Family Services, is presenting the exhibit through donations of time, services, and money from many sources including local photographers, framers, law firms, banks, and businesses. The Tooele City Hall has donated space for the exhibit which will be on display there through September 2008. Thereafter, the exhibit will travel to other venues throughout the state.

Nearly 130,000 children in the U.S. public-welfare system are waiting for an adoptive family. Most are eight years or older. Some of the most difficult children to place are those of minority backgrounds or in sibling groups. And, sadly, about 21,000 children "age out" of the system every year without ever being adopted. For information on the Heart Gallery Utah, volunteering for The Adoption Exchange or on adopting foster children, contact The Adoption Exchange at (801) 265-0444 or visit the internet at [www.utdsfsadopt.org](http://www.utdsfsadopt.org) and [www.adoptex.org](http://www.adoptex.org).
