Have you ever wondered where to take all those saved aluminum cans? If there's enough interest, I would like to start a recycling center at the Utah Industrial Depot. If you are interested in this service, please email me at [banich@webtv.net](mailto:banich@webtv.net) or call 882-5581.

Tooele City reminds citizens of a City ordinance prohibiting parking on any City street from **November 1 to March 31** during the hours of **2 a.m. to 6 a.m.** for snow removal.

Keep your driveway and walks clear of ice and snow so that firefighters and medics can reach your house or business if you need them. Many of you help your neighbors when clearing snow. Be careful when using a 4 wheeler with a blade on it. If the blade is wider than the sidewalk, sprinkler heads and landscaping could be damaged and not noticed until the Spring. Thank you!
