FROM THE MAYOR

Mayor Patrick Dunlavy

Water —it’s so very important to our everyday lives. It’s also absolutely essential to conserve it. This year you’ve all seen the weather and news broadcasts telling us all how far behind we are in this water year. We need to do our part, each of us, to conserve this precious resource. Water conservation measures can no longer be ignored, we must all look for ways to cut back our water consumption. The real facts are some of us water way too much. We just need to change our old habits. I ask each of you to join me in

doing everything we can to promote water conservation, for today, tomorrow and for the future of this beautiful community.

2007 Utility and Roadway Improvements

by Paul Hansen, City Engineer

As part of an ongoing utility and roadway maintenance and upgrade program, Tooele City Public Works is about to commence a series of water line, sewer line and roadway improvements. In general, the work as proposed will include approximately:

- ◆ 4,400 feet of new culinary water-line to replace existing undersized lines;
- ◆ 260 residential water service laterals will be replaced;
- ◆ 20 new fire hydrants will be installed for increased fire protection;
- ◆ 1,350 feet of new sanitary sewer line to replace existing lines;
- ◆ 70 new accessible ADA corner ramps will be installed;
- ◆ 2,400,000 square feet of roadway will have a slurry seal applied to them; and
- ◆ 500,000 square feet of roadway will be overlain with new asphalt.

Funding for these projects will be a combination of City water and sewer revenue funds and Road “C” funds. The work shown above is scheduled to be completed on the following roads throughout late spring and summer.

Some streets will have major utility work consisting of mainline replacement of water lines, replacement of sewer lines, or both. However, all of the streets shown in the table on Page 2, will include replacements of water services, which have not already been replaced within the past few years. Upon completion of the work, all of the streets will also be reconstructed with a heavy asphalt overlay, which is intended to provide many years of extended roadway life. Accessible corner ramps will also be constructed to comply with Federal Guidelines.

Unfortunately, the replacement of main water lines and sewer lines requires significant effort and time, which may cause some inconvenience to residents. The city will work with the contractors who will be performing the work as well as affected residents to minimize this impact wherever possible. We apologize in advance for the inconvenience that this work may cause, and ask the cooperation and patience of all residents as we make these necessary system upgrades.

In addition to the above major work items, the city will also be providing a slurry seal treatment to several existing residential roadways in town as part of its ongoing pavement management program. This slurry seal work will require some short term closure of streets (Less than 1 day in duration) and will occur in several areas throughout the City. Residents who are likely to be impacted by this work will be notified in advance, and notices will be published in the paper announcing street closures in advance of the work.

If you have further questions regarding the work which is proposed to be completed, please do not hesitate to contact the city Public Works Department at 843-2130. Again, we thank you in advance for your support and cooperation.

Click it or Ticket

Tooele City Police Department 323 N. Main St., 882-8900

Tooele City Police Department will be participating in the statewide "Click it or Ticket Campaign" from May 21 — June 3. The campaign is designed to encourage motorists to wear their seatbelts. Additional officers will be out looking for seatbelt violations and issuing citations. There will be "zero tolerance" for such violations. Remember all occupants of a vehicle must wear a seatbelt. For motorists age 18 and below the offense can be the primary violation. For motorists 19 years and above the offense is secondary, requiring another traffic violation for the stop. Any passengers in the vehicle age 16 and above can receive their own citation for the violation. It is the driver's duty to see that passengers 15 and below are properly restrained. Children younger than five must be properly restrained in a child restraint.

Tooele City and the Downtown Alliance would like to invite you to join us for fun, food and entertainment every Friday evening at the Veterans Memorial Park. *Fridays on Vine* brings local entertainers and some special guests such as T Minus 5 to our Veterans Memorial Park. Our grand opening event, on June 1st, will be a parking lot dance featuring the band, Painted Desert, at 7:00 p.m.

The Farmers Market will begin June 15th and run throughout the summer. The Tooele Downtown Alliance will host the Farmers Market in conjunction with the Master Gardeners program. The Farmers market will be located at the Veterans Memorial park every Friday beginning June 15th from 4:00 p.m. to dusk. The Market features a variety of vendors that provide wonderful produce such as tasty prepared foods, quality arts and crafts and delicious baked goods, farm fresh produce and much more!

Come and join us at Veterans Memorial Park on Fridays! And while you're there, visit our stores in downtown Tooele!

For information on specific events that are scheduled at Veterans Memorial Park, check out Tooele City's website at www.tooelecity.org or call Michelle at 843-2104. To be a vendor for the Farmers Market, please see Michelle in the Mayor's Office to fill out an application. Veterans Park is located at the corner of Main Street and Vine Street in Tooele.

LIBRARY EVENTS

Tooele City Library 128 West Vine St. 882-2182

The summer reading program this year is "Get a Clue at Your Library". Sign-ups begin May 29, 2007. Christopher Fair will present his great entertainment on May 29th at 6 pm.

Teens, check out our website at <http://tooelecity.org/tcl/library.html> for the first chapter of our mystery story on May 22nd. Enter your writing of the second chapter by June 7th, the third chapter by June 20th and the fourth chapter by July 3rd. Our judges are ready and eager to read your chapters. Each winning chapter will be available to read on-line and in a book kept at the library. Good luck! If you need help accessing our web page, the library staff can help.

Children's story time is every Wednesday at 11 and children's crafts are each Friday from 3-5 pm. There is a special story time May 11th.
