## From the Mayor

At the Wednesday, August 19<sup>th</sup> City Council meeting, Superintendent Linares acknowledged our fire department for the assistance they gave to the Grantsville Fire Department on the elementary school fire. As I listened to her express the district's appreciation, I thought how sincere and special her words were. I want the Superintendent to know how much it meant to me and most importantly how much our fire department appreciated her for taking time to thank them.

Having had the privilege of being a member of the fire department for 12 years, I understand the many, many hours of training our firemen go through to be prepared when they are called. Their dedication and unselfishness is incredible. I, and the community, do not thank them enough. Under the leadership of Chief Gary Vario, Asst. Chief Dave Gillette and Asst. Chief Troy Tate, the traditions of the Tooele City Fire service continues. This is a tradition of sacrifice for their neighbors, putting themselves

in very dangerous situations - with one thing in mind, to protect each of us and our property. I'm very proud of each of them and thank them sincerely.

I also acknowledge the dedicated members of the Grantsville Fire Department, North Tooele Fire, Stockton Fire and the outlying departments in the County as well as the Tooele County Sheriff whose responsibility stretches the county. Thanks to all of you.

At the same time I want to express thanks to the very special officers of the Tooele City Police Department. These dedicated men and women make us proud. The quality of life we all enjoy in this beautiful city is because they are willing to stand and protect us, no matter the situation. I thank them every day for making our lives safe. They are asked to do much in very dangerous situations. We should all be thankful and acknowledge them for the great work they do. If you see an officer tell them "thanks," they really do deserve it. I

am very grateful to Chief Kirby for his leadership. I also want to thank

the Utah Highway Patrol officers, Sheriff Park and his deputies, Grantsville, and Stockton officers for the great job they do. I've heard all the officers, in Tooele City and throughout the county offering to assist each other on difficult situations. You don't find that willingness to help each other in many places; that's what makes Tooele City and Tooele County the special place it is. I don't want to forget the law enforcement dispatchers, you are so very important and each of you are, as good as there is.

Thank you all.

Fridays on Vine in 2009 was a great success! There was a lot of variety this year including dancing from the Polynesian Islands, variety shows, yodeling, and a group reminding us of our "mid-life crisis". The season ended with Charley Jenkins entertaining us with some great country western

music! The Tooele City Arts Council thanks the Chamber of Commerce for providing a delicious barbeque that night for only \$1 or one can of food. Thanks also to those of you that performed for us (especially those that *donated* their talents). We hope you all enjoyed Fridays on Vine this year!

## WEATHERIZATION HELP

Salt Lake CAP provides weatherization services for Salt Lake and Tooele counties. The purpose of the program is to make minor repairs to homes in order to make them more energy efficient. Repairs and retrofits include wall, floor, perimeter, and attic insulation, furnace cleaning and tuning for greater efficiency, and air sealing (sealing off excess air passages) where deemed necessary.

The State of Utah just received \$38 million Recovery Money for weatherization assistance. With that, they hope to help over 4400 homes in the state in the next 3 years.

Eligibility for the weatherization program is determined by federal income guidelines. For more information call (801) 359-2444 or go to <http://housing.utah.gov/wap/contact.html> or <http://www.slcap.org/wtzn.htm>.
