## FROM THE MAYOR

I would like to acknowledge some young men whom I have never met. I would also like to pay tribute to another young man for his courage, his dedication to duty, and his service to his community.

The young men I'm speaking of are the police officers from Ogden, Utah who were shot recently. I thank them for the very difficult job they do every day. It saddens me, and I'm sure you, when these dedicated men and women are injured protecting us.

In giving his life for his community, Agent Francom brought to our attention again how dangerous it is being an officer. It is a reminder how grateful we should all

be that these men, on this day, did not back down or give an inch in doing their

Mayor Patrick Dunlavy

job. We need to always be mindful of their willingness to put their life on the line to ensure that each of us and our families are safe.

I thank them and their families for their service. I thank the outstanding men and women of the Tooele City Police Department for their service as well; our

city is extremely blessed to have the special officers we have. I am so proud and grateful for each one of them.

I'm grateful for the officers from the Tooele County Sheriff's office and Grantsville officers and the others who serve us every day. Additionally, I express my gratitude for our firefighters and other public safety men and women, including the very important dispatchers, for their dedication. I pray for them every day and would ask that you do the same.

As always, I'm very grateful for the honor of serving each of you as your Mayor. I take my responsibility very seriously. I will continue to work diligently to serve you professionally and honestly.

**Strengthen a family.

The Utah Foster Care Foundation believes every child deserves a permanent connection to a caring adult. The need for foster/adoptive families is ongoing, especially for families willing to help keep siblings together and to care for children over age 6. Right now, there are nearly **1,400 children and teens** in foster care in the Tooele/SLC Region.

Families initially receive 32 hours of free training, ongoing training and encouragement of foster parent support groups in their area, and the knowledge that they are helping local children in need.

### 4th of July 2012

From Kathy Bell

#### Tooele City Parks & Recreation Director

Remember back in the "good 'ol days" when the parades had all kinds of beautiful floats? We would like to bring those memories back!

The Tooele City 4th of July committee would like to challenge all businesses, church groups, schools, families, etc., to build a float for the 4th of July parade this year. A float can be something as simple as a decorated trailer pulled behind a vehicle.

What a great way to show your support for the community in which you live and do business! Not to mention, it is a great, inexpensive way to advertise.

For more information, please contact Kathy Bell, Parks & Recreation Director at (435) 843-2140.

This year, let's make the 4th of July celebration the best one ever!
