- 28 Underage Drinking Summit and Town Hall Mtg. at THS 6 pm
- 28 Planning Commission Mtg. 7 pm

Mayor Dunlavy’s State of the City Address

-Presented at City Council Meeting on February 15, 2012-

Chairman Wardle, members of the City Council, and the citizens of this wonderful city: another year has come and gone. As I have looked back on where our beautiful city is today, I can say again, our city is better today than it was a year ago. Projects talked about previously continue to be completed. Finances have been used wisely and conservatively. Planning for the future is of primary importance.

We are moving forward. In many areas, Tooele City has become the benchmark for others to follow. The extension of the campus at Utah State University in Tooele is moving forward and the soon to be completed Tooele Applied Technology Building are two examples of how we are leading out in cooperative efforts to bring exciting educational facilities and opportunities to our city. Never before have such significant projects of this type been accomplished in such a short time. Our commitment to educational opportunities for our citizens has never wavered. I am grateful to Dean Gary Straquadine of Utah State University and Scott Snelson of the Applied Technology College for being a major part of our vision. These projects, along with others, will help make Tooele City a leader in attracting job-creating

businesses, increasing our tax base, and creating pride in a forward looking community that simply gets things done. Each of you deserves nothing less.

One significant goal we achieved, after many attempts, was to settle the lawsuit with Grantsville City. Mayor Brent Marshall and the members of the Grantsville City Council offered an idea that had not been put forward in previous meetings. While we felt confident in going forward with the legal proceedings, we had always been open to ideas to solve this issue. We decided that providing funding from the Redevelopment Agency Project Area at the Depot, to build the citizens of Grantsville a beautiful new library, would be in both our best interests. We are anxiously awaiting its completion. I am very grateful for the willingness of the two cities to come together for the benefit of our citizens. Mayor Marshall’s leadership played a significant part in the outcome. I express my appreciation to him. I would hope that at some point the remaining suit could be solved as well, my hand is extended to Mr. Hall to do so.

We’ve accomplished much this last year. We negotiated the movement of the Rocky Mountain Power transmission line further

south, away from our city. We received additional open space and \$500,000 from them to assist us in building the brand new Nature Park on Skyline Drive; it will be completed this spring. We continued our commitment to preserve our beautiful mountainsides from development, by adding 130 acres of additional open space on the southeast bench. We also received commitment from Air Products to locate their business to the former Conestoga Wood Products building at the Utah Industrial Depot, which will add new jobs to our community. Phase II of the Wastewater Treatment Plant project will be completed in the next 2 months, adding additional treatment ability to our first class plant. This spring the southeast bench waterline project will be completed, allowing the city for the first time ever, the ability to move our water sources to all areas of the city. These achievements, coupled with significant upgrades to our water, sewer and road infrastructure continues to strengthen our wonderful city. All of this being accomplished during a time when many cities are cutting back and raising their citizen’s taxes.

are now available.
Deadline is March 23, 2012

"No Motorized Vehicles Allowed"

Tooele City is dedicated to preserving our open space. Over the past several years, the City has acquired hundreds of acres of property on the south bench in

order to protect our open space from development. We are asking for your help to protect that land. Recently, "No Motorized Vehicles" signs were posted at the access points of this property. Please feel free to walk and hike through that area and enjoy it—that is the purpose for which it is intended. However, motorized vehicles are damaging the mountainside and are not permitted on the city's property—drivers could be fined up to \$1,000. If you see anyone taking 4-wheelers, dirt bikes, etc. up through these areas, please contact the police at (435) 882-5600. Thank you for helping us protect our open space!

AARP DRIVER SAFETY PROGRAM

Date: March 23, 2012

Celebrating Families
Tooele City Family Recreation

Anyone offering a service from their home, for compensation, must have a Tooele City Business License! Contractors need to be licensed with Tooele City, even if licensed with the State.

All door-to-door salesmen must be licensed with Tooele City and wear a **BLUE Tooele City ID Badge**. Call 843-2110 or 882-5600 to report offenders. For more information, contact the Tooele City Recorder's Office at (435) 843-2110.

CERT PROGRAM FOR TOOELE CITY

Following a major disaster, emergency responders who provide fire and medical services will not always be able to meet the demand for these services. Factors such as the number of victims, communication failures, and road blockages often will prevent people from receiving emergency services they have come to expect at a moment's notice through 911. People will have to rely on each other for help in order to meet their immediate lifesaving and life sustaining needs.

The Community Emergency Response Team (CERT) Program educates people about disaster preparedness for hazards that may impact their area and trains them in basic disaster response skills, such as fire suppression, light search and rescue, team organization, and disaster medical operations. Using the training learned in the classroom and during exercises, CERT members can assist others in their neighborhood or workplace following an event when professional responders are not immediately available to help.

Mayor Dunlavy has recently appointed Ron Elton as our City's CERT Coordinator. Ron will assist us to provide CERT training to anyone who is interested and help us become better organized to respond to a major disaster. There is a small fee for your CERT equipment. If you are interested in becoming a CERT team member, please contact Ron Elton at ronelton@msn.com.

In next month's issue of Ninety North Main there will be information about the Great Utah ShakeOut Exercise "Drop, Cover, and Hold On" the largest earthquake drill in Utah history being held on April 17, 2012 at 10:15 a.m. For more information or for tips on how to become prepared for an earthquake, you can go to <http://shakeout.org/utah/>.

ATTENTION BUSINESS OWNERS:

For those who have not renewed their Business License: A penalty fee of 50% was assessed starting February 1st. Please be sure to renew your license!! If the Recorder's office does not hear from you by March 15th, 2012, your license will automatically be Inactivated (Closed). You can mail in your payment, drop your payment off in the Finance Department, OR in the drop box to the south of City Hall. We are not able to do online bill pay this year as we implemented a new licensing program VERY RECENTLY and the system is not set up as of yet to do so. We apologize for this inconvenience. Also, If you are no longer in business please let us know in writing by e-mailing lisac@tooelecit.org or fax (435) 843-2119 and we will close your license. If you have questions, please contact the Recorders Office at (435) 843-2110.

Tooele City is excited to introduce, for the first time ever, the Miss Tooele City Pageant as a kick-off event to the 4th of July festivities. This is for girls ages 16-24. Please watch our website www.tooelecit.org for more information!

And as a reminder, the Tooele City 4th of July committee would like to challenge all businesses, church groups, schools, families, etc., to build a float for the 4th of July parade this year. A float can be something as simple as a decorated trailer pulled behind a vehicle.

For more info., please contact Kathy Bell, Parks & Recreation Director at (435) 843-2140.

Mayor Dunlavy's State of the City Address continued from Page 1

So where do we go from here? To prepare ourselves for the future, two new water wells will be drilled and additional property will be acquired in preparation for the construction of the badly needed police and fire facilities. The beginning of the upgrades to the cemetery roads, with the addition of curb and gutter, will begin this spring. We will continue to upgrade our roads, water and sewer systems. There is much to be done – we will continue to do it and move forward.

As always, economic development will be a major focus. Creating jobs and increasing our tax base is of the utmost importance to all of us. The economy still continues to present challenges in recruiting businesses, especially retail development, but our work never stops; with the position we've put ourselves in over the last few years, I'm very optimistic of more success in the future. Our financial stability, as you know, is most important to me. I will continue to protect each of your tax investments in our city.

I express my love and appreciation to my wife Pam and my super family for their special support. I am very grateful for them and to them. I'm grateful for my department heads and my staff for their expertise and experience, as well as the hard working, dedicated city employees. We've been successful because of them. I appreciate the commitment of the City Council, they are exceptional men. They understand the importance of their work and they do it for the betterment of us all. I love this city! My passion to make it better grows every day. I'm dedicated to honest, open, ethical city government. Tooele City is such a special place to live and raise our families. It's a safe, vibrant, growing city, full of opportunities – a place I'm proud to call home. I hope that what we're doing makes each of you proud as well. Our future is bright, our finances are strong, our direction is clear. Thank you very much for allowing me the privilege and the honor of serving you as your Mayor. Thank you.

To contact Mayor Dunlavy, please call his office at (435) 843-2104 or email him at patrickd@tooelecity.org

1st Assistant Mike Jensen, Fire Chief Gary Coon, 2nd Assistant Bucky Whitehouse
In January, Gary Coon was sworn in as the Tooele City Fire Chief. Thank you to out-going Fire Chief, David Gillette, for his years of service as Chief and for a job well done!
