## Operation Christmas Child

Operation Christmas Child is a project of Samaritan's Purse. Samaritan's Purse goes to the remote corners of the world to bring joy to millions of boys and girls who are the victims of war, disease, disaster, and poverty. Since 1993, the Operation Christmas Child project has delivered gift-filled boxes to more than 31 million hurting children in over 120 countries.

Tooele City is proud to be a sponsor of Operation Christmas Child again this year. Tooele City is accepting dona-

tions to help with this worthwhile project. There are many ways to help. You, your family, friends, groups, organization, etc., can prepare shoe boxes, give cash donations, or collect items for gift

boxes. How to pack a shoe box gift:

1. Use an empty shoe box (standard size, please) or a small plastic container. You can wrap the box (lid separately), but wrapping is not required.
2. Determine whether your gift will be for a boy or girl, and the child's age category, 2-4, 5-9, or 10-14. Label the box with the appropriate boy/girl and age category on your box by taping a note to the top of your box.
3. Fill the box with a variety of gifts that will bring delight to a child.
4. Please donate \$7 or more for each shoe box you prepare to help cover shipping and other project costs.
5. Place a rubber band around each shoe box and lid and drop it off at city hall. Please do not include: used or damaged items; war related items such as toy guns, knives or military figures, chocolate or food, liquids or lotions, medications or vitamins, breakable items such as snowglobes or glass containers, aerosol cans.

For more information, please call Sharon at 435-843-2111.

# Letter to Tooele County Registered Voters:

By now you should have received the state's Voter Information Pamphlet in the mail which covers only federal and state candidates. For information on Tooele County candidates, go to the Tooele County Clerk's website at [www.co.tooele.ut.us/clerk.htm](http://www.co.tooele.ut.us/clerk.htm). On the right side under "Candidate Information" click on "Candidate Biographies." From this point you can click on each office and get a picture with a bio of the candidates running for county offices.

If you'd like even more information, go to the same website, click on "Check Your Registration" on the right hand side. You can make sure you're registered, check your polling location, see your ballot, check bio's on all of the candidates, and any financial forms they have filed. For those of you voting Absentee or By-Mail Ballots, this website will tell you whether your ballot has been sent, when it is received back in the Clerk's Office and whether it was counted or not.

The last day to register by mail for the general election is Oc-

tober 4th, in person in the Clerks' Office, October 28th.

You can now register to vote online! Go to the Clerk's website at [www.co.tooele.ut.us/clerk/voter.htm](http://www.co.tooele.ut.us/clerk/voter.htm) and click on the "New - Online Voter Registration" link. It will take you to a form that you can fill out and submit. The signature from your drivers license will be used as the signature for your voter registration. There are a number of questions to answer to verify it's you. The information you supply must match the information on your driver license.

How much easier can we make it? Well, there's also Absentee Voting. If you'd like to have the ballot come to you, just go to the same web address stated above, then click on "Absent Voter Application", print the form, fill it out and mail it in. You will receive your ballot about 2 weeks before the election.

Thanks for voting! Marilyn K. Gillette, Tooele County Clerk

## From Your Tooele City Fire Department:

It's hard to believe, but it's October—that means Fire Prevention Month! The Tooele City Fire Department will be involved again this year with all of the schools in Tooele city helping our children understand what fire does, the danger, and why fire is not something to be played with.

The Tooele City Fire Department's open house is Saturday, October 9th from 10 am to 2 pm. Please come and let your children check out the fire trucks, experience our burn house and have a hot dog on the fire department!

Fall is also the time to take the batteries out of your fire and carbon monoxide alarms and replace them with new ones. Clean off the alarm and make sure it works by testing the unit. Please explain to your family, and practice with them, what to do if the alarms go off. This activity could save your family's lives.

Thank you to those that contributed to the MDA fund this year. Tooele City Fire raised \$10,100 for this worthy cause!

Thank you and be safe!

David Gillette, Tooele City Fire Chief
