Safety tips for sparklers:

- Children under the age of 12 should not use sparklers without very close adult supervision.
- Always remain standing while using sparklers.
- Never hold a child in your arms while using sparklers.
- Never hold or light more than one sparkler at a time.
- Sparklers and bare feet can be a painful combination. Always wear closed toe shoes when using sparklers.
- Sparkler wire and stick remain hot long after the flame has gone out. Be sure to drop the spent sparklers directly in a bucket of water.
- Never hand a lighted sparkler to another person. Give them the unlit sparkler and then light it.
- Always stand at least 6 feet from another person while using sparklers.
- Never throw sparklers.
- Show children how to hold sparklers away from their body and at arm's length.
- Teach children not to wave sparklers, especially wooden stick sparklers, or run while holding sparklers.

The Tooele City Fire Department greatly appreciates your assistance in creating a safe environment this summer holiday season. Please have a happy and safe 4th and 24th of July and stay away from dangerous and illegal fireworks.

If you have any questions about fireworks in your area, please contact [Tooele City Fire Department](#) or call the office of the State Fire Marshal at 801-284-6350.
