### Spring Clean Up

#TakePrideTooele

“Take Pride Tooele” is the theme for this year’s citywide spring clean up event! Recently several staff members and local residents were invited to participate on a committee to plan this event. We have come up with several ways for residents to join in the fun and take pride in our City! The official event will begin on Monday, April 30, and continue through Saturday, May 26. We anticipate many visitors for the Memorial Day holiday and wish to have our City looking beautiful and clean!

There will be many opportunities for everyone to participate. We are extending an invitation to our residents of all ages to clean up their own property. We also invite you to offer help in your own neighborhood to those who are not able to take care of their own property (don’t forget our seniors and those who are disabled).

To get rid of large items that will not fit in a trash can, Tooele City provides a monthly bulk waste pickup program. During the month of May we will double the bulk waste pick up days for residents. Please see the schedule and examples of accepted bulk waste items listed below.

We will have a list of service projects on our website that can be completed by youth groups, civic organizations, church groups, businesses, families and any other individuals or groups that are willing to volunteer to help! Go online and sign up today!

This is a great opportunity to serve!

We would love to see the “before” and “after” photos of your hard work! Share your photos with us on our website or on our Facebook page www.facebook.com/tooelecity using #TakePrideTooele.

Spring Clean Up ideas, our volunteer project list, and more information will be available on our website www.tooelecity.org and on our Facebook page.

A Message from the Tooele City Police Department

It's the time of year when we start seeing warmer weather and more daylight. It means more people will be out on the streets and it is also a time of year when small crimes, like theft and graffiti, usually increase. Here are some important tips to remember with the seasons’ changes:

1. Keep parked vehicles locked and remove valuables from the vehicle when you are not in it.

2. Remember that the curfew ordinance in Tooele City is as follows:
   a. It is an infraction for anyone 17 years of age or younger to be in or on a sidewalk, street, or alley or in any public place between 12:00 a.m. and 5:00 a.m. unless accompanied by a parent or guardian.
   b. All city-owned public parks shall be closed to all persons between the hours of 11:00 p.m. and 6:00 a.m. unless otherwise signed. All city-owned skating facilities shall be closed to all persons between the hours of 10:00 p.m. and 6:00 a.m. unless otherwise signed.

3. Keep bicycles, scooters, and other toys/equipment secured in a garage or fenced area.

4. Report graffiti/vandalism to the police department immediately.

5. Report any suspicious activity to Tooele County Dispatch at 435-882-5600.

Tooele City Cemetery Decoration Policy Changes

Summer Months: (March 1st – Oct. 31st)
All types of decorations must be placed in a vase that is built into the headstone, headstone base or the required 4” mowing strip. No decorations are allowed in the grass around the headstone during these months. To accommodate mowing, decorations outside the 4” mow strip will be immediately removed and discarded. No shepherd hooks are allowed at all during these months.

Winter Months: (Nov. 1st – Feb. 28th)
All types of decorations are acceptable during these months as long as they are not damaging the Cemetery grounds or obtrusive to neighboring plots. Grave decorations will not be removed during these months.

Holiday Decorations: The 7 day before and 7 day after policy has been eliminated. Grave decorations are permitted for all holidays provided they are contained to the headstone or 4” mow strip surrounding the headstone.

Vases and/or trinkets made of glass, porcelain, or pottery will not be allowed in the cemetery and cannot be glued to headstones, monuments, or markers. No wire, nails, hangers, steel rods, tent stakes, etc. will be allowed to secure decorations to the ground, and will be removed to protect mowers during daily maintenance.

All funeral flowers will be cleaned up one week following the services.

At the discretion of the cemetery staff, flowers and decorations that become worn or show weather damage will be removed and discarded.

Weather permitting, cemetery personnel will perform a complete clean-up of the Cemetery grounds on the following dates:

• 1st Monday in March
• Monday following Memorial Day
• 1st Monday in November

Tooele City Cemetery is not responsible for any decorations lost, stolen or damaged.
