It was an honor to attend the 100th Anniversary Celebration of the Tooele City Fire Department on Saturday, July 13, 2019! It was a wonderful celebration! The Fire Department’s dedication to this City is unlike any other volunteer. Every piece of equipment, every truck, and the buildings that house the equipment are all taken care of by the firefighters as if it belonged to each one of them. I appreciate their dedication to respond to any fire, at a moment’s notice, day or night. I admire their courage to put their life on the line each time that the fire alarm goes off. I admire, appreciate, and thank the family members of these fine firefighters, who also volunteer their time and resources to help others.

Chief Harrison became the leader of the Fire Department the same day I became the Mayor of this City. We were both a little nervous about our new responsibilities. I can tell you today, Chief Harrison not only stepped up to the plate, but he knocked it out of the ball park! He is an exceptional leader and I am so proud to have this opportunity to serve with him.

A few weeks ago, an individual asked me when Tooele City was going to get a professional fire department. I responded, “We already have a professional fire department, they just don’t get paid!”

On behalf of the Tooele City Council, myself, and this community, may I express our deepest appreciation to each one of our volunteer firefighters for their service to our community! Happy 100th Anniversary!!!

Most changes effective August 11, 2019. Maps and detailed information can be found at rideuta.com/tooele or call 801-RIDE-UTA (801-743-3882)

- Route 453 hours of service will be expanded slightly. The first 453 trip in the morning will arrive to downtown Salt Lake City at the same time it does now.
- Current route 453 stops on Main St. in Tooele will be added to route 451. Stops on Country Club Drive in Stansbury Park will not be served by any route.
- Route 454 service will increase from one trip each direction to five. Route 454 will serve Lakepoint Junction, the International Center, Salt Lake International Airport, and destinations along North Temple in Salt Lake City.
- Route F453 will provide midday service from 2400 North park + ride in Tooele to 1940 West Station on the TRAX Green Line. Service will run every 60 minutes from approximately 8 AM to 4 PM, providing mid-day transit service between Salt Lake and Tooele counties.
- Customers who currently catch route 453 from Tooele to downtown Salt Lake City should catch route 451 instead.
- Customers who currently catch route 453 to the International Center, Airport, or North Temple should catch route 454 instead. Customers coming from Tooele will need to transfer from route 451 to route 454 at Benson Grist Mill park + ride.

Tooele City Water Consumption Rate Schedule

The Tooele City rate schedule for water consumption promotes conservation for our customers. Water is billed monthly on an increasing rate schedule (provided below).

Water Charges - The water bill charge is a combination of two fees on your monthly billing:

1. Base fee dependent upon meter size.
2. Water usage fee per unit
   (One unit of water equals 100 cubic feet or approx. 750 gallons).
