A Message from Mayor Winn...

At the end of this year, we will say goodbye to three exceptional City Council Members who have diligently served our City—Steve Pruden served on the City Council for 16 years, Dave McCall served on the City Council for 12 years, and Brad Pratt served on the City Council for 8 years. During their time on the City Council, they accomplished many great things. I am honored to have served with these great men. On behalf of myself, the staff and employees, and the residents of our City, I want to personally thank each of them for their service, dedication, support, and love for the people of our City. They will be missed.

I congratulate and now look forward to working with Ed Hansen, Justin Brady, and Tony Graf as the newest members of the City Council. There is still a lot of work to do!

I wish each of you a Happy Holiday season! Thank you for the opportunity to serve!

I welcome your comments and suggestions, you are always welcome to contact me at my office at (435) 843-2104 or email me at dwinn@tooelec.org.

Thank you Steve Pruden, Dave McCall, and Brad Pratt for your years of service on the Tooele City Council! You have been excellent representatives of our City and you will be missed!

Thank you to all those who were willing to put their name on the ballot and who are willing to serve our community!
What do to when you see an Emergency Vehicle approaching!

This may seem like common sense to some, but when dealing with emergency situations we commonly see drivers panic and over-react or react incorrectly when they see an emergency vehicle with lights and sirens approaching. Here are some rules to remember:

1. You must yield the right of way.
2. Drive to the far right edge of the curb.
3. Clear the intersection.
4. You must STOP!

When you see an emergency vehicle approaching, (if possible) pull your vehicle to the far right side of the roadway. If you can’t pull right then leave room for the emergency vehicle to get by. If you are already stopped, stay put! Once the emergency vehicle has passed, be sure to re-enter the travel lane with caution. Always keep the intersection clear because you don’t know which way the emergency vehicle will have to go. As curious as you may be, do not follow an emergency vehicle leaving a scene. Finally, if you come to an intersection blocked by emergency vehicles, slow down! Watch for directions given by police personnel on the scene and proceed as directed.

Tooele City reminds citizens of an ordinance prohibiting parking on any city street from November 1st to March 31st during the hours of 2 am to 6 am. City snow plow drivers can’t remove snow from your street if there are cars and trucks parked in their way. You could be ticketed!

Please help City snow plow drivers by not parking on the streets and keeping things like basketball hoops off the streets. Thank you!

Also as a reminder — Per Tooele City Code, large vehicles such as semi-trucks, shall not park overnight on city streets other than designated truck routes. In section 10-2-7(3) the following are designated truck routes: (a) SR-36 (Main Street); (b) SR-112; (c) Tooele Boulevard (1100 W. St.); (d) Droubay Road; (e) Pine Canyon Road; (f) other streets as designated by express written permission of the police chief...”

Winter Parking on City Streets
Tooele City reminds citizens of an ordinance prohibiting parking on any city street from November 1st to March 31st during the hours of 2 am to 6 am.

Just a reminder as the winter months approach, residential and business sidewalks must be cleared of snow, hail, ice, and sleet within 24 hours after a storm stops. Please do not blow or shovel your snow out onto the streets. Tooele City Code 4-11-15 (2) states: “It is unlawful for any person to place or propel, or cause to be placed or propelled, snow, ice, hail, or sleet in the public way or in any manner which poses a hazard to vehicular or pedestrian traffic.”

Please be courteous to your neighbors, do not blow leaves, snow or other debris into their yards.

Thank you!
Keep Your Pipes Open To Avoid Freezing!

Every year when the weather turns cold the City sees a rash of reports of frozen pipes. The best thing that you can do to prevent this in your home is to keep the pipes open. Leaving a slow drip or trickle in a faucet overnight, when the temperature and water usage is lowest, can prevent the water in your pipes from sitting still and freezing. As the weather gets colder over a longer stretch of time, the ground freezes deeper and deeper and puts more homes at risk of frozen pipes every day. Yes, the slow drip or trickle may end up costing you a little extra on your water bill, but that amount will always be dramatically less than the cost to repair frozen pipes in your home and the water damage it can cause. Questions? Call our Public Works Department at 435-843-2130.

For after hours (non life-threatening) emergencies, please call dispatch at 435-882-5600.

ATTENTION BUSINESS OWNERS!
