FROM THE MAYOR

I know how very important social media has become, but it’s not always a good thing. Every law enforcement agency, everywhere, now has officers working diligently to protect us, especially our children against predators and criminals who do nothing but monitor social media sites.

I watched a segment of “60 Minutes” on how easily every conversation and all of our personal data on our cell phones can be hacked with very little effort. I would join in the chorus of voices asking everyone, especially parents, to talk about the negative things that can happen on social media and become aware and change the way we use our phones and computers.

Having said that and knowing this will come as no surprise, what is posted on Facebook sites like Tooele County 411, for example, may not be totally factual. I have had many occasions to correct and clarify information that someone posted that created significant problems for us here at City Hall. I ask all of you out there who want to chat about city issues—please call us. We will give you the facts first before incorrect information goes out. Thanks for your confidence in us, in managing the business of our wonderful city.

If you have comments or concerns, please call me at 435-843-2104 or e-mail me patrickd@tooelecit.org

WATER CONSERVATION SCHEDULE

Area #1 All water users North of Vine and West of Main water Wednesdays and Saturdays.

Area #2 All water users North of Vine and East of Main water Tuesdays and Fridays.

Area #3 All water users South of Vine water Mondays and Thursdays.

Outdoor watering is not permitted on Sundays.

Visit www.waterwiseutah.org for great water wise tips!

The City encourages residents not to water during the hottest hours of the day, typically between 10 am and 6 pm. This conserves water and reduces your water bills.

If there are special circumstances that require a modified schedule for residents or businesses such as newly planted sod or lawn, contact Tooele City at (435) 843-2150. City parks and schools have been placed on a modified schedule because of the size of their lawn areas. While some parks and schools may be watering more than two days each week, a specific area of that park is only watered twice during the week.

Child ID Kit event with the Tooele City Police Department
Saturday, May 21, 2016 • Between 12:00 p.m. - 2:00 p.m.
Tooele City Library (128 W. Vine St., Tooele) • FREE EVENT!

Every year in America an estimated 800,000 children are reported missing. The “Take 25” campaign encourages parents to take 25 minutes to talk to their children about safety and ways to prevent abduction. Teaching children about safety works. It saves lives! Join us at the Tooele City Library on May 21st to get your child’s identification kit updated at no charge with Tooele City Police Officers. It only takes a few minutes and could make a big difference for your family in an emergency. Raise your family’s awareness of National Missing Children’s Day and “Take 25” to talk about safety with your children.

“MAY THE FOURTH BE WITH YOU” Star Wars activities all day on May 4th!
