- May 31 Miss Tooele City contestant entry deadline

FROM THE MAYOR

Mayor Patrick Dunlavy

As warmer weather gradually comes, so does construction and development. We as a municipal government are tasked with making sure developments and construction projects are done the right way. It’s important we make sure they follow all city ordinances and established building codes. It is also imperative we do our work in making sure we manage when, how, and where growth in our community takes place. We must make sure to be patient during times of growth, making sure the city has adequate resources such as water and wastewater services; all the while being very sensitive to property rights and the impact certain projects have on not only the community but also individual neighborhoods.

Growth is inevitable. We accept the responsibility to manage it properly. As we do, we are ensuring the wonderful quality of life that we all enjoy is not diminished in anyway. If you have any comments or concerns, please call me at my office at 435-843-2104 or e-mail me at patrickd@tooelecity.org

Thank you.

WATER CONSERVATION SCHEDULE

Area #1 All water users North of Vine and West of Main water Wednesdays and Saturdays.

Area #2 All water users North of Vine and East of Main water Tuesdays and Fridays.

Area #3 All water users South of Vine water Mondays and Thursdays.

Outdoor watering is not permitted on Sundays.

Visit www.waterwiseutah.org for great water wise tips!

The City encourages residents not to water during the hottest hours of the day, typically between 10 am and 6 pm. This conserves water and reduces your water bills.

If there are special circumstances that require a modified schedule for residents or businesses such as newly planted sod or lawn, contact Tooele City at (435) 843-2150.

City parks and schools have been placed on a modified schedule because of the size of their lawn areas. While some parks and schools may be watering more than two days each week, a specific area of that park is only watered twice during the week.

The City has adequate water and wastewater services; all the while being very sensitive to property rights and the impact certain projects have on not only the community but also individual neighborhoods.

Growth is inevitable. We accept the responsibility to manage it properly. As we do, we are ensuring the wonderful quality of life that we all enjoy is not diminished in anyway.

If you have any comments or concerns, please call me at my office at 435-843-2104 or e-mail me at patrickd@tooelecity.org

Thank you.

The 2017 Fridays on Vine schedule of performers is now posted on our website tooelecity.org. Concerts begin June 2nd! New this year—join us for a lineup of Food Trucks each Friday night! Come hungry! For more info. visit tooelecity.org or call Holly at 435.843-2141.

Tooele City is excited to announce the fifth annual Tooele Tri, a Sprint Triathlon! For more information and to register, please visit our website www.tooelecity.org or call 435-843-2142.

Those who register by May 30, 2017 will receive a race shirt!
Tooele City is pleased to announce that beginning May 1, 2017, residents may sign up for the Curbside Recycling Program at any time. Once service begins, residents will only be allowed to opt-out of the program on an annual basis. The cost of this service is $5.65 per month per recycling receptacle.

When opted-in, residents will be delivered a blue recycling receptacle which will allow for plastics, metal, paper products and cardboard to be recycled. These items will need to be empty but will not have to be rinsed, cleaned or sorted prior to placing them in the recycling receptacle. Green waste and glass will not be recycled.

Opt-in forms may be found on our website, www.tooelecity.org, or in the Finance Office at City Hall (90 North Main Street, Tooele). A pickup schedule and a list of acceptable and non-acceptable recycling items will be delivered with your receptacle, and are also available on our website.

Questions? Contact the Tooele City Finance Department at 435-843-2150. Thank you!

Friendly Reminder

Drinking Water Source Protection

The Tooele City Water Quality Report is available for your review, and has been mailed to all water utility account holders within the City. The Report is also available on the City’s web page at the following link:

We are pleased to inform you that your drinking water continues to meet all U.S. Environmental Protection Agency (EPA) and State drinking water health standards.

Tooele City vigilantly safeguards its water supplies by:

- Establishing drinking water source protection zones for each of the City’s sources,
- Adoption of City Ordinance and reliance of County Ordinance which regulate potential hazards to the City’s drinking water sources, and
- Collecting and analyzing water quality data to evaluate watershed protection efforts.

You can help by:

- Read and follow usage guidelines on detergents, fertilizers and pesticides,
- Do your part to prevent runoff into the storm drain system,
- Properly dispose of household products such as cleaners, oil or gasoline and unused medicines,
- Continue your water conservation efforts, and;
- When you notice someone else contaminating the water, remind them that “We all live downstream.”

Suicide Prevention Training
