FROM THE MAYOR

Mayor Debbie Winn

Spring is here!

Our #TakePrideTooele Spring Cleanup project began on Monday, April 30th. Please check out the flyer included with this newsletter to find the many opportunities available for you to participate through the month of May. I’m so excited to see the improvements in our City and I invite all of you to participate!

The winter months have not provided the moisture that we would like to have received for the hot summer months ahead. I am asking all residents to do all that they can to conserve the use of water. A suggested outdoor watering schedule is outlined below.

Results from our recent resident survey show that many people would like to see the city staff increase our code enforcement. The code enforcement ordinance was put into place by the City Council to help clean up our neighborhoods. Please be considerate of your neighbors and help when you can to clean up weeds, unsightly trash, debris, inoperable vehicles and other items from your property. Thank you in advance for your support of our clean up event!

If you have questions or comments, please contact me at my office at 435-843-2104 or email me at dwinn@tooelecit.org.

TOOELE COUNTY
You are needed!

When major emergencies and disasters happen, the need for volunteers is enormous, but would you know how to volunteer? Do you know what skills might be needed?

Visit tooeleready.org to learn about the new volunteer response program called TooeleResponds (businesses, organizations, and individuals) and learn how you can benefit our community by being involved!

WATER CONSERVATION SCHEDULE

Area #1 All water users North of Vine and West of Main water Wednesdays and Saturdays.

Area #2 All water users North of Vine and East of Main water Tuesdays and Fridays.

Area #3 All water users South of Vine water Mondays and Thursdays.

Outdoor watering is not permitted on Sundays.

Visit www.waterwiseutah.org for great water wise tips!

The City encourages residents not to water during the hottest hours of the day, typically between 10 am and 6 pm. This conserves water and reduces your water bills.

If there are special circumstances that require a modified schedule for residents or businesses-such as newly planted sod or lawn, contact Tooele City at (435) 843-2150.

City parks and schools have been placed on a modified schedule because of the size of their lawn areas. While some parks and schools may be watering more than two days each week, a specific area of that park is only watered twice during the week.

THANK YOU!
May is National Arthritis Awareness Month

Did you know that nearly 1 in 3 adults living in rural areas are affected by arthritis? These adults experienced more difficulties performing daily tasks due to their arthritis, too. Good news, Tooele residents! Self-management education workshops can help you learn ways to reduce stress, feel better, and have more energy to live your life to the fullest. Whether you are living with arthritis, cancer, diabetes, heart disease or another chronic condition, there is a workshop that can help you begin to feel better. Visit www.LivingWell.Utah.gov to register for a workshop today!

DRINKING WATER SOURCE PROTECTION

The Tooele City Water Quality Report is available for your review, and has been mailed to all water utility account holders within the City. The Report is also available on the City’s web page at the following link: http://tooelecity.org/city-departments/community-development-public-works/water-department/water-quality-reports/

We are pleased to inform you that your drinking water continues to meet all U.S. Environmental Protection Agency (EPA) and State drinking water health standards.

Tooele City vigilantly safeguards its water supplies by:
- Establishing drinking water source protection zones for each of the City’s sources,
- Adoption of City Ordinance and reliance of County Ordinance which regulate potential hazards to the City’s drinking water sources, and
- Collecting and analyzing water quality data to evaluate watershed protection efforts.

You can help by:
- Read and follow usage guidelines on detergents, fertilizers and pesticides,
- Do your part to prevent runoff into the storm drain system,
- Properly dispose of household products such as cleaners, oil or unused medicines,
- Continue your water conservation efforts, and;
- When you notice someone else contaminating the water, remind them that “We all live downstream.”

Trash/Debris Items:
Any garbage/debris/unsightly objects must be properly disposed of within a timely manner. Section 8-4-4 1(b) and (e) of Tooele City code states these will be deemed a nuisance: (b) the accumulation of garbage, refuse, or unsightly or deleterious objects or structures upon real property, unless contained in connection with an association lawfully situated and licensed for the same; (e) any other unsightly or deleterious condition that gives rise to a threat to human health or safety;

Inoperable/Abandoned Vehicles:
Only two inoperable motor vehicles may be kept and must be placed behind a screened fence, or in an enclosed building. Vehicle coverings are not considered in compliance with this code. Section 8-4-4 1(c) and (d) of Tooele City code states such vehicles will be deemed a nuisance: (a) junked, wrecked, or inoperable motor vehicles upon real property, for longer than 72 hours, except that up to 2 such vehicles or parts thereof may be stored within an enclosed building or completely screened by a sight-obscuring fence. (d) Abandoned motor vehicles.

Ideas to Clean Up and Beautify Your Yard

- Sweep sidewalks, curbs, and gutters
- Mow, pull, or spray weeds*
- Clear away fallen limbs, branches, and leaves
- Cut back overgrowth (bushes, vines, trees, shrubbery)
- Clear your yard from trash, debris, and clutter
- Clean up and re-edge flower beds and borders
- Great time to prep lawns for spring growth (rake, aerate, fertilize, and seed)
- Mow grass and redefine borders of the lawn
- Neaten up hardscape surfaces (sidewalks, driveways, pathways, patios, porches)
- Clear obstructions (trees, vines, bushes) from sidewalks and roads
- Patch, replace, or paint worn fences and gates
- Add a final touch! Plant flowers and plants to add color, beauty and fun to your home!

Ideas to Help Clean Up Your Neighborhood

- Offer assistance to someone in your neighborhood who could use a little help cleaning up their own property.
- Organize a neighborhood group to clean up common areas, double frontages, roadways, alleyways, and nature areas.
- Clean up sidewalks and gutters in front of vacant lots.
- Take the #TakePrideTooele Facebook Challenge and challenge your neighbors to take the challenge too!

Ideas to Help Clean Up Tooele City

- Visit tooelecitv.org or call 435.843.2143 for a list of community projects (beautify the cemetery, parks, landscaping, etc.) where your family or organization could volunteer.
- Do you have suggestions or ideas for a project? Contact Tooele City for project coordination at 435.843.2143
- We encourage businesses and organizations to clean up their store fronts and properties!

*Section 8-4-4 1(a) of Tooele City code states any weeds/grass on real property under 5 acres must be cut and maintained under 6 inches. Property owner is responsible for park strip area(s) adjacent to their lot. Any lot larger than 5 acres must have a border of 30 feet cut and maintained under 6 inches. Violation of this code may result in fines and/or a class B misdemeanor.

Thank You! Citizens and businesses play a critical role in beautifying our community!

Residential customers—take advantage of both bulk waste pick up days during May—at no cost to you! Please make sure everything is out on your curb before 7:00 a.m. the day of your bulk waste pickup. There is no need to call Tooele City or ACE Disposal to schedule a pickup during May. If by chance your bulk waste pickup was missed on your pickup day, please call ACE Disposal directly at 435-882-7009. If your items are out of compliance, ACE Disposal will leave a tag on your door indicating the reasons they were unable to pick up your items. For a complete list of acceptable & unacceptable items, and specific requirements, please visit our website tooelecit.org.

#### Frequently Asked Questions about Bulk Waste

**When does Bulk Waste Pick Up?**

Tooele City provides a monthly bulk waste pickup program. The pick up day is once a month (based on your normal garbage pickup day) for those items which do not normally fit into your trash container. This service is provided at no additional cost to Tooele City residents and will go a long way in cleaning up our city and keeping it clean. This May you will get an additional day. See the schedule on this page.

**Will Bulk Waste pick up old furniture and appliances?**

Yes! We accept old appliances (items must have freon removed and a label placed indicating removal), mattresses, furniture, carpet, and couches.

**Can I put yard waste out for bulk waste pickup?**

Yes! Bulk Waste will take your yard waste, such as branches, limbs, and shrubbery but it MUST be bagged, boxed or bundled (with rope or twine) and be cut to less than 5 feet and cannot exceed 75 lbs.

**Will Bulk Waste accept hazardous waste?**

No! Do not put items such as paint, solvents, batteries, or pesticides out to be picked up by bulk waste pick up. However, you can dispose of those at the Household Hazardous Waste Collection Day on May 5th!
