From Mayor Dunlavvy...

There is an election this month on November 3rd. Please take the time to vote. It is so very important. The leaders you elect will make vitally important decisions for our city.

Proposition #1 is also on the ballot this year, if you would like better roads, this would allow us to have additional money to do just that.

I had the privilege of speaking at the ribbon cutting of the new Cabela’s Distribution Center and at the groundbreaking of the new Rocky Mountain Care facility being built just to the West of the hospital. I’m very grateful for both of these wonderful companies for their commitment to our wonderful City. They are and will be tremendous additions.

It has been a very busy summer — our city continues to move forward—it’s exciting to see. Thanks to all of you!

As always, if you have comments or questions, please contact me at my office at (435) 843-2104 or send me an email at patrickd@tooelec.org.

Tooele City Arts Council Grant applications are available on our website! Visit our website www.tooelec.org for more information or call 435-843-2141.

Election Day—November 3rd

Tooele City residents will have the opportunity to cast their vote for three open City Council positions. Four candidates are running for those positions: Dave McCall, Brad Pratt, Steve Pruden and Jay Collier. To read profiles on the candidates, please go to vote.utah.gov. Other items on your ballot: The Tooele County Commission has placed the Local Option Sales Tax on the ballot. If approved it will provide sales tax to help pay for the roads in Tooele City as well as the rest of the County. The Tooele County School District has also placed a bond proposition on the ballot.

For more information on the Local Option Sales Tax and the School Bond, please go to the Clerk’s website. In fact, there is a wealth of information to be found on the Clerk’s webpage under the elections tab (http://www.co.tooele.ut.us/clerk/Elections.htm). You can see your sample ballot, read candidate profiles (for those who have provided them), candidate financial forms, and which polling location is closest to your work or home.

Some think local elections aren’t as important as national elections. I dare to differ. While Presidential, Federal and State Elections have a lot to do with what goes on in our country, local elections make a difference in our everyday lives. Local elected officials decide on your local taxes, the roads that we drive on, laws that affect our cities, towns and districts. These local elections need your attention and your research too. Please make sure to participate.

If you have any questions, or do not have access to the internet, please call 435-843-3140. The Clerk’s website is located at www.co.tooele.ut.us/clerk/elections.htm ~ Marilyn K. Gillette, Tooele County Clerk/Auditor

Scam artists in the U.S. and around the world defraud millions of people each year. They use the phone, email, postal mail, and the internet to trick you into sending money or giving out personal information. Here are 10 ways to avoid fraud:
(1) Know who you’re dealing with; (2) Know that wiring money is like sending cash; (3) Read your monthly statements; (4) After a disaster, give to only established charities; (5) Talk to your doctor before you buy health products or special treatments; (6) Remember, there is no sure thing in investing; (7) Don’t send money to someone you don’t know; (8) Don’t agree to deposit a check and wire money back; (9) Don’t reply to messages asking for personal or financial information; (10) Don’t play foreign lottery.

For a list of the most recent scam alerts, visit: http://www.consumer.ftc.gov/scam-alerts. To report a scam, visit: http://www.ftc.gov/complaint. If you are the victim of a scam, contact the Police Dept. at 435-882-8900.
