November 2009

## From Mayor Dunlavy

A great big congratulations to the Tooele Volunteer Fire Department for another great fire prevention week. The open house on October 10th was an opportunity for the entire community to interact with the firemen and see their equipment at work. I am very grateful for their dedication to this very important information sharing activity. It's obvious what a positive impact they have had on the young children of our beautiful city. Thanks to our great firemen, the kids are very aware what they are supposed to do in case of a fire. The program that is presented by the department has, and will, save their lives if they are in a fire situation. I express my deepest gratitude to each member of the department-- active and re-

tired. A big thanks to the fire auxiliary as well, for their support to their husbands and the community. Under the leadership of Chief Gary Vario with Assistant Chiefs Dave Gillette and Troy Tate the tradition of excellence continues. We accomplished much this past year and look forward to doing much more in the future. It will continue to be a challenge. The economy hopefully will rebound, but it will take time.

I ask for your continued support for our local businesses. Supporting them keeps our tax dollars local, supports jobs and creates new opportunities for adding more. Remember, "COME TOGETHER, OWN YOUR OWN COMMUNITY, LIVE IN IT, SHOP IN IT, THRIVE IN IT".

As we continue the important business of the City, I again want to thank each of you for your support. Making Tooele City better every day is challenging, but very rewarding at the same time.

If you have comments or ideas please contact me at 843-2104 or 843-2101. You can e-mail me at [patrickd@tooelecity.org](mailto:patrickd@tooelecity.org).

Don't forget to vote on November 3<sup>rd</sup>.

## Parking on City Streets

Tooele City reminds citizens of an ordinance prohibiting parking on any city street from November 1st to March 31st during the hours of 2 am

to 6 am. City snow plow drivers can't remove snow from your street if there are cars and trucks parked in their way. You could be ticketed!
