MESSAGE FROM THE MAYOR

Mayor Patrick Dunlavy

The census forms have, or soon will be, coming to each of your families in the mail. I ask you to take a few minutes to fill the forms out and send them in. The information that comes from the census is so vitally important in our ability to qualify for federal and State dollars. Building and repairing roads and other offsite improvements such as water wells and wastewater treatment plant systems and expansion as well as public safety facilities and equipment all could be affected by our response to the census information. Please do not take it lightly; it does directly affect us in so

many ways.

The coming of spring this year could be challenging due to the below average precipitation. I'm asking you to begin looking for ways to conserve water. I know we ask that every year and each year it is just as important as the last. We are in the process of completing a new well and storage reservoir on the Northeast part of town. As we continue to address this important issue I ask that you understand how important conserving this valuable resource will always be. Doing your part to conserve is a responsibility we all should realize and embrace.

On a personal note, the last few months have been very eventful, with the election

and financial challenges. But three very special events took place, which really put things in perspective for me. The births of my new grandsons Dawson, Brixton, and beautiful granddaughter Kaizley all happened during the last few months. While I take my responsibilities as Mayor very seriously, being a husband, father and grandpa are truly what's important in life.

Thank you all for your encouragement and support. As always if you have questions or suggestions please contact me at 435-843-2104 or e-mail me at patrickd@tooelecity.org.

CLERK'S INSIDER

With the onset of spring, comes the wandering bug, and most of us want to travel. If you're thinking of wandering out of the country, there are some things you should know.

The U.S. Passport Agency has proposed new fees for the U.S. Passport Book, the U.S. Passport Card (cannot be used when flying) and other passport services. Some of the fees will increase as much as \$35 per passport or card, making an adult passport \$135 and a child's passport \$105.

We haven't been told when this increase will be implemented, but if you're planning on purchasing a passport, sooner rather than later will save you some money to play with on your vacation. Passports take 6 weeks to process, unless expedited for another \$60. You may then get them in 2 weeks. Passport pictures are available at the Clerk's Office for \$10. For passport forms and additional information, please go to the Clerk's website at www.co.tooele.ut.us/clerk/passport.htm, or you're welcome to call the Clerk's Office at 435-843-3140.

You Can Change A Lifetime!

The Utah Foster Care Foundation believes every child deserves a permanent connection to a caring adult. The need for foster/adoptive families is ongoing, especially for families willing to help keep brothers and sisters together and to care for children over age 6. Right now, there are nearly **1,400 children and teens** in foster care in the Tooele/SLC Region.

Families receive 32 hours of free, ongoing training, encouragement of foster parent support groups in their area, and the knowledge that they are helping children in need.

Do you wonder what it is like to be a foster parent? We will be having an **Ask-a-Foster Parent Night on Thursday, April 8th at the Tooele City Library from 6:30-7:30 pm**. This will be a great time to learn more about the needs of children in foster care and to see how you can help.

Check out their website at www.utahfostercare.org, or call UFCF's Murray office at 877-505-5437 to speak with a recruiter.
