A Couple of thoughts from the Mayor . . .

I believe it’s important to share with you, briefly, a couple of thoughts on this year’s budget. The budget was adopted by the City Council on June 20th. As I have followed many cities around the state, I have noted that Taylorsville, West Jordan and others are raising their citizen’s property taxes—each of you need to know we are NOT. We are also NOT raising user fees this year.

I’m very proud of our ability to manage your taxes the way we have. I firmly believe you elected us to provide quality public services. We have police and fire departments that are unmatched; employees who are hard-working, honest people; and we do this while managing your money without adding to your tax burden. At the same time we are leading out in completing much needed projects, such as the expansion of the wastewater treatment plant and adding to our precious water supply.

We are continuing to do much needed road projects, water and wastewater infrastructure repair and upgrades, building the new park on Skyline and working very hard to bring new and exciting retail businesses to our community, along with expanding our education corridor and our industrial park.

Our budget is balanced and planned for the future. We have identified needs and listened to your suggestions. While some needs may not be met as quickly as some would want, I’m financially planning for them.

I believe that’s the way to keep our community vibrant and moving forward while staying within our means. Much appreciation goes out to my staff and the City Council. Our City is very special. I appreciate your support. As always, I’ll continue to work hard to make us better every day.

If you have questions or concerns, please call me at (435) 843-2104 or e-mail me at patrickd@tooelecity.org.

Water Conservation Schedule

Area #1 All water users North of Vine and West of Main water Wednesdays and Saturdays.

Area #2 All water users North of Vine and East of Main water Tuesdays and Fridays.

Area #3 All water users South of Vine water Mondays and Thursdays.

Outdoor watering is not permitted on Sundays.

The City encourages residents not to water during the hottest hours of the day, typically between 10 am and 6 pm. This conserves water and reduces your water bills.

The city keeps water users informed by sending out weekly emails for reminders.

Fridays from 10:30 am—11:30 am
www.tooelecity.org/citydepartments/youthservices.asp
Contact Terra at (435) 843-2142 for more information.
July 2 (Monday): Lokalgrown followed by a movie in the park! For more than a decade, Lokalgrown has entertained crowds. Influenced by the sounds of Coldplay, Michael Jackson, U2, and many others, they deliver a performance which is nothing short of entertaining and crowd pleasing. Lokalgrown prides itself on exceptional music and taking on the personality of any event.

July 6: Kindle Creek from right here in Tooele County! The band started in 2009 with Dillon Hurst, Bryce Jensen, Joseph Shumway, and later David Crawley & Mical Bracken. They have created a unique style of country-rock/folk music that appeals to all ages.

July 13: GMC The talented musicians of the Grantsville Music Company are not strangers to the Tooele concert stage. This is a variety show to remember and should appeal to the whole family.

July 20: Hot Diggity Band. This three piece band consists of guitars, mandolin, dobro, bass and vocals. They play high energy country, blues, classic rock, blue grass and some original tunes. Some of the show is performed acoustically and some is done electrically. All of the tunes have vocals.

July 27: T3 In late 2010, Tyra Hansen, Troy Medina, and Troy Hansen combined their vocal and musical talents to form T3, a popular and classic live rock band, performing hits from the 60’s to current music, as well as original songs.
