FROM THE MAYOR

Mayor
Patrick Dunlavy

This summer and fall, the PAR (Parks, Arts and Recreation) committee will be doing presentations to organizations and groups to say, “Thank You” for your support of the PAR Tax program that has been in place for the last few years. We are very appreciative of your support and would like the opportunity to show you what you’ve received in return for your tax investment. We are required to place the Program back on the ballot this fall for renewal. It is very important to us that we make sure each of you understand the program, and answer any and all questions you have. I very much appreciate the article in the Transcript, written by Rachael Madison; she did a great job in presenting it. If you have questions about the PAR program, before the November election, please contact me. The committee and I look forward to meeting with you.

If you would like to contact me, please call my office at (435) 843-2104 or email patrickd@tooelecit.org.

Check out your Tooele City website: www.tooelecit.org to find meeting agendas, minutes and information and for a calendar of upcoming events!

WATERING CONSERVATION SCHEDULE

Area #1 All water users North of Vine and West of Main water Wednesdays and Saturdays.

Area #2 All water users North of Vine and East of Main water Tuesdays and Fridays.

Area #3 All water users South of Vine water Mondays and Thursdays.

Outdoor watering is not permitted on Sundays.

The City encourages residents not to water during the hottest hours of the day, typically between 10 am and 6 pm. This conserves water and reduces your water bills.

If there are special circumstances that require a modified schedule for residents or businesses—such as newly planted sod or lawn, contact Tooele City at 843-2150.

City parks and schools have been placed on a modified schedule because of the size of their lawn areas. While some parks and schools may be watering more than two days each week, each specific area of that park is only watered twice during the week.

Thank you for your help in conserving water, a precious resource.

The Tooele City Arts Council will begin the Summer Concert Series on Friday, June 1st at 7 pm at the Tooele City Park (200 W & Vine). Concerts will continue every Friday through August 31st. For a full description of performing artists, visit our website: www.tooelecity.org.

June’s schedule includes:
- June 1: “Synergy” 20 talented performers make up this world renowned group. Their repertoire includes high-energy song and dance routines from Disney to country, with an amazing 80’s rock and roll medley! It is a show for all ages, styles, backgrounds and families.
- June 8: “Kerry Christensen” is not your typical yodeler. His concerts and events this year will take him to as many as 23 US states and two or three countries internationally. He recently lent his unique classical yodeling talent to a full-length Disney animated feature called “Home on the Range.” Kerry is perhaps the only full time yodeler in the world that specializes in all styles of yodeling.
- June 15: “Peter Breinholt” Peter Breinholt is happy to be back in Tooele. Peter has been delighting audiences with his self-styled music for more than a decade. He has sold out every major concert hall in Utah many times over. He has released seven CD’s, two songbooks and a concert DVD.
- June 22: No Fridays on Vine Concert. Please Support the Tooele Arts Festival!
- June 24th: “Restless Heart and Little Texas” 20 talented performers make up this group. Their repertoire includes high-energy song and dance routines from “Home on the Range.” Kerry is perhaps the only full time yodeler in the world that specializes in all styles of yodeling.
