## From Mayor Dunlavy

My deepest sympathies go out to the family of Jordan Byrd; recently killed in Afghanistan. His sacrifice is so very difficult. I wish them well at this difficult time. My deepest appreciation goes out to the wonderful young men and women serving in the military making our country safe. I am so grateful for Colonel King, Colonel Dennis Lohman, Colonel Pomeroy and their staffs who lead the operations of Dugway, Tooele Army Depot and Deseret Chemical Depot. They do such a wonderful job right here in our area, making us stronger and safe. I thank them for their service.

Some projects we are

Mayor Patrick  
Dunlavy

continuing to work on are Phase 2 of the Wastewater Plant expansion. This phase will provide us the capability to handle the bio-solids at the plant in a much more efficient way, saving money and bringing those processes up to date with current technologies. We will also be upgrading the plant facilities, making them safer for our employees and protecting our equipment.

Preliminary work is also continuing with the Public Safety Building and Fire Station Projects. We are working through the financials completely before moving forward with them. Planning for additional water sources is another significant project in the planning stages. We have accomplished much, but we have many important things that need to be done.

I am grateful to each of you. Please know that I, the administration, and City Council are diligently striving to accomplish these and other important things to make our city better every day.

If you have questions or comments please contact me at 435-843-2104 or e-mail me at [patrickd@tooelecity.org](mailto:patrickd@tooelecity.org).

## Parking on City Streets

Tooele City reminds citizens of an ordinance prohibiting parking on any city street from **November 1st to March 31st** during the hours

of 2 am to 6 am. City snow plow drivers can't remove snow from your street if there are cars and trucks parked in their way. You could be ticketed!
