On my office wall is a great sign that everyone who comes to my office can read. The message is simple, direct and truthful—it says “TOOELE, THE GREATEST CITY IN UTAH”. It is something I have said often since being elected Mayor. I was born here. I married a beautiful Tooele girl. I’ve raised my wonderful family here and I’ll retire here someday. Why? Because there is no place I’d rather be; no place I’d rather work; no people I would rather work with, than the very special people that live in this most beautiful place.

Unfortunately, there is so much negativity all around us every day. We’re bombarded with it. It comes from the media both print and visual, on facebook and twitter. You hear it at the grocery store, football games, or social gatherings. It has seeped into all facets of our lives. It really doesn’t have to be that way, we can change, and we must change.

We live in the best place, among the best people. We certainly can find many positives, can’t we? I would hope we can turn it around, talk about the good things, express appreciation for the privilege we all share living in the “Greatest City in Utah”. It will be difficult to change, but I know we can.

The future in Tooele City is a bright one. Let’s all enjoy it together, what do you say? Please know I will continue to work very hard to make our beautiful city a safe, enjoyable place to live, work and play; a place you can all be proud of. Thank you for the honor to serve as your Mayor.

Please feel free to contact my office at (435) 843-2104 or email me at patrickd@tooelecity.org.

On the November 6, 2012 ballot, Tooele City citizens will vote on whether or not the city should continue to collect the one-tenth of one percent sales tax that funds PAR. If voters approve the ballot item, PAR will continue to develop and maintain cultural, artistic and recreational opportunities in the city. PAR is not a new tax—Tooele City citizens voted to approve Tooele City Proposal #1 in 2004. Although this measure was voter approved, state law requires that it be voted upon again in 2012.
