

NINETY NORTH MAIN

FROM MAYOR DUNLAVY....

What a super 4th of July celebration we had this year! I am so grateful for the many hours of work put in by the great staff and employees of Tooele City. It really is a big task to pull off all of the events over the 4th of July week.

The Miss Tooele City Scholarship Pageant was a great success! Congratulations to our 2014 Royalty! Cera Strain is our 2014 Miss Tooele City. Her attendants are Britney Bresee and Elisa Saurette. They will be fantastic representatives of the City!

The triathlon gets better every year. Thanks so much to the police officers and volunteers who work hard on that event. The

movie, karaoke and car shows add so much. This year we also had the 23rd Army Band here as part of our celebration.

In the nine years I've been Mayor, I do not believe I've seen a bigger attendance at

Mayor
Patrick Dunlavy

the parade. Thanks so much to Dave Faddis for his service to our community and allowing us to honor him as Grand Marshal.

The Charley Jenkins concert at the park on the 4th was, as always, so great. The finale of the week with the Diamond Rio Concert and fireworks on the 5th were absolutely spectacular! Thanks very much to those wonderful, dedicated, unselfish people who make it happen.

My hope is that each of you enjoyed some part of our celebration. If you didn't, we're already working on next year's celebration, please come and enjoy it with us.

If you have suggestions, comments or concerns, please feel free to contact me at my office at 435-843-2104 or email me at patrickd@tooelecitey.org.

Utah State University TOOELE

The Tooele campus of Utah State University is expanding. This past spring, ground was broken for a new Science and Technology Building on land donated to the university by Tooele City. The new building will make it possible to offer a biology degree, nursing degrees, and general education credits in chemistry, biology, anatomy, and more. It will also have research labs for faculty. Instructors at this facility will broadcast their classes to other USU classrooms all over the state. As you can imagine, the equipment for such a substantial community resource will be a major component in its cost. If you or a company you own are interested in having a classroom or other feature in the new building named after you, we have a large need for donations in order to build out and equip this facility. Please call the Dean of USU Tooele, Dr. Donna Dillingham-Evans at (435) 882-6611.

Combat crime in your neighborhood!

Citizen involvement is essential to combat crime. You and your neighbors are the ones who really know what is going on in your community and by cooperating with each other and the police, people can help fight crime in the most effective way—before it begins! Neighborhood Watch is a crime prevention program which enlists the active participation of citizens in cooperation with law enforcement to reduce crime and fear of crime in communities. It involves neighbors getting to know each other and working together. It also involves citizens being trained to recognize and report suspicious activities in their neighborhoods and learning and implementing crime prevention techniques. To find your nearest Neighborhood Watch or start a neighborhood watch program in your area, please contact the Tooele City Police Department Crime Prevention Division at 435-882-8900 or visit www.usaonwatch.org.
