Presented by Katrina Call

Ms. Call emailed more specific information to Shilo Baker about the sidewalks and is awaiting the City’s response.

5. Treasurer’s Report
Presented by Jed Winder

   a. Approval of Invoices and Reimbursements
      Mr. Winder presented the following invoices for payment:
• Andrea Cahoon in the amount of $80.00 for secretarial services
• Jensen Family Landscape in the amount of $2,820.00 for landscape maintenance.
• Tooele City Water Bills in the amount of $1,645.38
  Mr. Jensen suggested that they discuss billing with Tooele City as no water will be used
  November-March. He will have the water shut off Nov 1 and then they don’t use water
  again until March 31 or later depending on the weather. The District should not receive any
  bills during that time.
• Utah Association of Special Districts annual membership dues in the amount of $74.00

Mr. Brondum moved to approve the invoices as presented. Ms. Manzione seconded the motion. All
members present voted, “Aye.”

Ms. Gochis will ask the Finance Department about combining the water bill invoices so there are not
separate bills sent for each meter. She will also talk to them about the water being shut off on October
31 and there should be no water use, and thus no bill, for the months of November through March and
then report back at the next meeting.

b. Status of Budget/Expenses for Fiscal Year 2018
Mr. Winder provided a copy of the Combined Income Statement, Budgets, and Account Balances to the
Board members. A copy of this is included with these minutes as Exhibit A.

Mr. Winder reported that three checks they received from Tooele County did not clear. He contacted
Mike Jensen (at Tooele County) and he reissued the checks. The District was charged $60 in fees for the
bounced checks. Mr. Winder is going to keep on Mr. Jensen to get the $60 in fees reimbursed to the
District by the county. The board suggested that Mr. Winder ask the bank to waive the fees.

Mr. Winder is completing the certificate of annual financial report for the state and is also working on
the transparency report for the state.

6. Chair’s Report
