The club for our youngest friends!

More words = More success!

What better way than books?

Any child ages birth to six years who hasn't started kindergarten can join our free 1000 Books Club.

Kids whose parents frequently read and talk to them will know more words by age two than children who have not been read to.

Studies show a child's vocabulary is directly linked to success once they start school.

In this free club, your child receives fun prizes at the library along the way and a final reward when they reach 1000 books.

One book a day adds up fast!

*1 book per day = 365 books in a year
Less than 3 years to finish!*

2 books per day = less than 1 1/2 years!
